AFCIN-4A2a/Mr. Woodall/jwh/55101

25X1

1. Reference is made to message AFCIN/GMIC 51901 dated 10 December 1958. This message was addressed to ATIC to the attention of AFCIN-4F3, Mr. Laxson. The message quoted a memorandum for Chairman GMIC [REDACTED]. The message in effect asks for an ATIC evaluation of the intelligence potential and desirability of [REDACTED].

25X1

2. AFCIN-4A2 requests your comments on why such an inquiry [REDACTED] be channelled directly to an analyst in a production division of AFCIN-4? This appears to be a collection operations matter and it is therefore considered that such an inquiry should be channelled through AFCIN-1A and in turn AFCIN-4A for the AFCIN-4 opinion.

Maj Reid/eb/77908

1. Forwarded to Lt Colonel Carey (Air Force member GMIC) for the action discussed with Major Reid, this Branch. Request this office be forwarded information upon which to base a reply to comment #1.

2. This office concurs with AFCIN-4A's comment that such inquiries should be channeled through AFCIN collection channels and not directly to an analyst in a production division of AFCIN.
